It will not waste your time. acknowledge me, the e-book will very announce you additional business to read. Just invest little get older to contact this on-line declaration **American Whiskey Bourbon And Rye** as competently as evaluation them wherever you are now.

**American Whiskey, Bourbon & Rye**-Clay Risen 2015-10-06 The bible of American whiskeys, bourbons, and ryes is updated! Arranged alphabetically by distillery and then brand, this revised edition features 300 whiskeys—with nearly 100 new entries. In addition to information on buying and choosing whiskey, every entry includes the maker's contact details and products, plus a full account of each bottling, including: age, proof, nose, color, body, palate, price, and rating.

**The Book of Bourbon and Other Fine American Whiskeys**-Gary Regan 2009-12 Proclaimed a masterwork when it was originally published in 1995, The Book of Bourbon and Other Fine American Whiskeys by Gary Regan and Mardee Haidin Regan runs the gamut of American whiskey. This widely acclaimed work contains details on every aspect of American whiskey up to the mid-1990s. This landmark book contains a concise look at how whiskey in America evolved from the time of the Pilgrims, right through to the end of the twentieth century. Every distillery that was around at that time is comprehensively covered. The vast majority of American whiskeys on the market are described. There are cocktail recipes, recipes for appetizers, entrees, and desserts, all containing whiskey. There's even a chapter that offers guidance to aficionados visiting Kentucky and Tennessee.

**Bourbon Empire**-Reid Mitenbuler 2015-05-12 How bourbon came to be, and why it’s experiencing such a revival today Unraveling the many myths and misconceptions surrounding America’s most iconic spirit, Bourbon Empire traces a history that spans frontier rebellion, Gilded Age corruption, and the magic of Madison Avenue. Whiskey has profoundly influenced America’s political, economic, and cultural destiny, just as those same factors have inspired the evolution and unique flavor of the whiskey itself. Taking readers behind the curtain of an enchanting—and sometimes exasperating—industry, the work of writer Reid Mitenbuler crackles with attitude and commentary about taste, choice, and history. Few products better embody the United States, or American business, than bourbon. A tale of innovation, success, downfall, and resurrection, Bourbon Empire is an exploration of the spirit in all its unique forms, creating an indelible portrait of both bourbon and the people who make it.

**Bourbon, Straight**-Charles K. Cowdery 2004-01-01 BOURBON, STRAIGHT: The Uncut and Unfiltered Story of American Whiskey follows the trail of America whiskey-making from its 17th century origins right up to the present day. In it, readers will discover the history of the American whiskey industry, how American whiskey is made and marketed, the differences among various types of American whiskey (bourbon, rye, Tennessee) and how they compare to other world whiskies. Readers also will meet the many fascinating characters who have made American whiskey what it is today, whether they be famous, infamous or largely
American Whiskey Bourbon and Rye

Kentucky Bourbon Whiskey - Michael R. Veach 2013-03-22

On May 4, 1964, Congress designated bourbon as a distinctive product of the United States, and it remains the only spirit produced in this country to enjoy such protection. Its history stretches back almost to the founding of the nation and includes many colorful characters, both well known and obscure, from the hatchet-wielding prohibitionist Carry Nation to George Garvin Brown, who in 1872 created Old Forester, the first bourbon to be sold only by the bottle. Although obscured by myth, the history of bourbon reflects the history of our nation. Historian Michael R. Veach reveals the true story of bourbon in Kentucky Bourbon Whiskey. Starting with the Whiskey Rebellion of the 1790s, he traces the history of this unique beverage through the Industrial Revolution, the Civil War, Prohibition, the Great Depression, and up to the present. Veach explores aspects of bourbon that have been ignored by others, including the technology behind its production, the effects of the Pure Food and Drug Act, and how Prohibition contributed to the Great Depression. The myths surrounding bourbon are legion, but Veach separates fact from legend. While the true origin of the spirit may never be known for certain, he proposes a compelling new theory. With the explosion of super-premium bourbons and craft distilleries and the establishment of the Kentucky Bourbon Trail, interest in bourbon has never been higher. Veach shines a light on its pivotal place in our national heritage, presenting the most complete and wide-ranging history of bourbon available.

Whiskey Master Class - Lew Bryson 2020-02-18

Go beyond the glass and discover the secrets behind your favorite style of whiskey. Over the past three decades, Lew Bryson has been one of the most influential voices in whiskey—a longtime editor of Whisky Advocate and author of the definitive guide Tasting Whiskey. In this book, Lew shares everything he’s learned on his journey through the worlds of bourbon, Scotch, rye, Japanese whiskey, and more (yes, there are tasty Canadian and Irish whiskeys as well!). In this book, you’ll find it all: An overview of the different types of whiskeys, including the rules and identities of each. He also includes information on craft whiskeys, which tend to be more creative and freewheeling than the styles made by traditional producers. Exploration of the key whiskey ingredients, with a close look at the flavor contributions of malt, peat, corn, rye, wheat—even water matters. Distillation for non-distillers and the beauty of barrels: Whiskey is both an art and a science, and what’s in the glass is affected by things like pot stills vs. column stills, barrel char, and of course, time. Numerous interviews with master distillers, still makers, and other artisans at the top of their field. Tasting notes throughout so you can identify the whiskeys you might want to try next. Every chapter contains a variety of unique, often behind-the-scenes photography. And with whiskey as the subject, this is a class where you’ll want to do the homework!

Big Whiskey (The Revised Second Edition) - Carlo DeVito 2021-07-20

An updated edition of Big Whiskey, the definitive guide to the American Whiskey Trail. This updated edition of the definitive guide to the American Whiskey Trail is a comprehensive collection of the whiskey, bourbon, and rye made by the best distillers in Kentucky and Tennessee. Full color images throughout showcase each and every bottle and label, behind-the-scenes images, and the beauty of the Whiskey Trail. Interviews with renowned distillers provide incredible insight into how whiskey is made. Locals and tourists alike will discover new distillers and expressions that are sure to satisfy any and all tastes. Big Whiskey is the perfect gift for the whiskey lover in your life.

Bourbon - Fred Minnick 2016-10-01

Once and for all, America learns the likely inventor of its beloved bourbon. Bourbon is not just alcohol -- this amber-colored drink is deeply ingrained in American culture and tangled in American history. From the early days of raw corn liquor to the myriad distilleries that have proliferated around the country today, bourbon has come to symbolize America. In "Bourbon: The Rise, Fall, and Rebirth of an American Whiskey," award-winning whiskey author Fred Minnick traces bourbon's entire history, from the 1700s with Irish, Scottish, and French
settlers setting up stills and making distilled spirits in the New World through today's booming resurgence. He also lays out in expert detail the critical role this spirit has played throughout the cultural and even political history of the nation -- from Congress passing whiskey-protection laws to consumers standing in long lines just for a glimpse of a rare bottle of Pappy Van Winkle -- complemented by more than 100 illustrations and photos. And most importantly, Minnick explores the mystery of who most likely created the sweet corn liquor we now know as bourbon. He studies the men who've been championed as its inventors over time -- from Daniel Boone's cousin to Baptist minister Elijah Craig -- and, based on new research and never-before-seen documentation, answers the question of who deserves the credit.

The North American Whiskey Guide from Behind the Bar-Chad Berkey 2014-12-09 A Must-Have Guide for Every Whiskey Lover Whiskey has become one of the most popular spirits, and with so many different kinds it's hard to keep track of them all and select great new ones to try. With reviews of 250 different whiskeys, the historical background of each type, 30 of the best cocktail recipes and even the perfect cigar pairing, this guide has everything a person needs to find some of the most interesting whiskeys available. Chad Berkey is the general manager of The Aero Club Bar in San Diego, which boasts one of the largest collections of whiskey of any bar in America, with over 900 different kinds. With his help, you'll discover the best whiskeys to try; many that won't break the bank. Top bartenders blind taste-tested every whiskey, so you get real, honest comments for each listing. Not only will this help you find whiskey similar to ones you already like, but it will also allow you to pick the best tasting whiskey for your palate and preference. Packed with all the information you'll ever need on whiskey, this book is what every whiskey enthusiast should have in their library.

American Whiskey traces the arc of this beloved, renowned spirit--from its earliest days in the Colonial era, through the Civil War, Prohibition, Great Depression, and up to the current craft-distilling boom. Illustrated with 100 full-color modern and historic labels from the most iconic bottles ever made, The Art of American Whiskey is an instant collectible and a fantastic gift for any whiskey enthusiast or design lover. Captions, sidebars, profiles and short histories tell the story of the pioneers and places behind the labels, and each chapter features era-appropriate recipes from all-star bartenders and cocktail experts that will tickle any tippler's fancy.

The Art of American Whiskey-Noah Rothbaum 2015 A visual history of American whiskey, as told through hundreds of whiskey bottle labels, from early, pre-Prohibition-era days to the present. Just as wine is to the French or beer is to the Germans, whiskey--especially bourbon and rye--is an integral part of the history and culture of the United States. The Art of American Whiskey is the first book to trace the arc of this beloved, renowned spirit--from its earliest days in the Colonial era, through the Civil War, Prohibition, Great Depression, and up to the current craft-distilling boom. Illustrated with 100 full-color modern and historic labels from the most iconic bottles ever made, The Art of American Whiskey is an instant collectible and a fantastic gift for any whiskey enthusiast or design lover. Captions, sidebars, profiles and short histories tell the story of the pioneers and places behind the labels, and each chapter features era-appropriate recipes from all-star bartenders and cocktail experts that will tickle any tippler's fancy.

The American Whiskey Tasting Notebook-Susan Reigler 2019-11-30 Fresh from the success of their best selling book, The Bourbon Tasting Notebook, authors Susan Reigler and Michael Veach are pleased to share this new tasting logbook for other American whiskeys, featuring nearly 250 brands. The American Whiskey Tasting Notebook will give whiskey lovers the perfect way to track their whiskey samplings of American, Blended, Corn, Rye, Wheat, and Other Grains apart from bourbon. Authors Susan Reigler and Michael Veach sampled every brand featured, documenting the flavors, tastes and smells they experienced, along with the proof, age, type, style, mash bill, color, price, nose, taste, and finish for each whiskey, and full-color photos of each bottle for easy reference. They did not assign ratings, letting the reader make their own determination. The whiskeys are also indexed by proof and style, along with a checklist so each person can keep track of what has been sampled and record his or her preferences.
Pappyland - Wright Thompson 2020-11-10 An instant New York Times bestseller From the bestselling author of The Cost of These Dreams The story of how Julian Van Winkle III, the caretaker of the most coveted cult Kentucky Bourbon whiskey in the world, fought to protect his family's heritage and preserve the taste of his forebears, in a world where authenticity, like his product, is in very short supply. As a journalist said of Pappy Van Winkle, "You could call it bourbon, or you could call it a $5,000 bottle of liquified, barrel-aged unobtanium." Julian Van Winkle, the third-generation head of his family's business, is now thought of as something like the Buddha of Bourbon - Booze Yoda, as Wright Thompson calls him. He is swarmed wherever he goes, and people stand in long lines to get him to sign their bottles of Pappy Van Winkle Family Reserve, the whiskey he created to honor his grandfather, the founder of the family concern. A bottle of the 23-year-old Pappy starts at $3000 on the internet. As Julian is the first to say, things have gone completely nuts. Forty years ago, Julian would have laughed in astonishment if you’d told him what lay ahead. He’d just stepped in to try to save the business after his father had died, partly of heartbreak, having been forced to sell the old distillery in a brutal downturn in the market for whiskey. Julian's grandfather had presided over a magical kingdom of craft and connoisseurship, a genteel outfit whose family ethos generated good will throughout Kentucky and far beyond. There's always a certain amount of romance to the marketing of spirits, but Pappy's mission statement captured something real: "We make fine bourbon - at a profit if we can, at a loss if we must, but always fine bourbon." But now the business had hit the wilderness years, and Julian could only hang on for dear life, stubbornly committed to preserving his namesake's legacy or going down with the ship. Then something like a miracle happened: it turned out that hundreds of very special barrels of whiskey from the Van Winkle family distillery had been saved by the multinational conglomerate that bought it. With no idea what they had, they offered to sell it to Julian, who scrambled to beg and borrow the funds. Now he could bottle a whiskey whose taste captured his family's legacy. The result would immediately be hailed as the greatest whiskey in the world - and would soon be the hardest to find. But now, those old barrels were used up, and Julian Van Winkle faced the challenge of his lifetime: how to preserve the taste of Pappy, the taste of his family's heritage, in a new age? The amazing Wright Thompson was invited to be his wingman as he set about to try. The result is an extraordinary testimony to the challenge of living up to your legacy and the rewards that come from knowing and honoring your people and your craft. Wright learned those lessons from Julian as they applied to the honest work of making a great bourbon whiskey in Kentucky, but he couldn't help applying them to his own craft, writing, and his upbringing in Mississippi, as he and his wife contemplated the birth of their first child. May we all be lucky enough to find some of ourselves, as Wright Thompson did, in Julian Van Winkle, and in Pappyland.

The Crowded Hour - Clay Risen 2020-06-16 The “gripping” (The Washington Post) story of the most famous regiment in American history: the Rough Riders, a motley group of soldiers led by Theodore Roosevelt, whose daring exploits marked the beginning of American imperialism in the 20th century. When America declared war on Spain in 1898, the US Army had just 26,000 men, spread around the country—hardly an army at all. In desperation, the Rough Riders were born. A unique group of volunteers, ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt, they helped secure victory in Cuba in a series of gripping, bloody fights across the island. Roosevelt called their charge in the Battle of San Juan Hill his “crowded hour”—a turning point in his life, one that led directly to the White House. “The instant I received the order,” wrote Roosevelt, “I sprang on my horse and then my ‘crowded hour’ began.” As The Crowded Hour reveals, it was a turning point for America as well, uniting the country and ushering in a new era of global power. “A revelatory history of America’s grasp for power” (Kirkus Reviews, starred review). Both a portrait of these men, few of whom were traditional soldiers, and of the Spanish-American War itself, The Crowded Hour dives deep into the daily lives and struggles of Roosevelt and his regiment. Using diaries, letters, and memoirs, Risen illuminates an influential moment in American history: a war of only six months’ time that dramatically altered the United States’ standing in the world. “Fast-paced, carefully researched...Risen is a gifted storyteller who brings context to the chaos of war. The Crowded Hour feels like the best type of war reporting—told with a clarity that takes nothing away from the horrors of the battlefield” (The New York Times Book Review).
Bourbon Justice - Brian F. Haara 2021-07 Brian Haara recounts the development of commercial laws that guided the United States from an often reckless laissez-faire mentality, through the growing pains of industrialization, past the overcorrection of Prohibition, and into its final state as a nation of laws.

Single Malt - Clay Risen 2018-10-16 A follow-up to his bestselling American Whiskey, Bourbon & Rye: A Guide to the Nation's Favorite Spirit, Clay Risen's Single Malt is an introduction to the long history, fascinating science, and incredible diversity of malted whisky, as well as a practical drinker's guide to buying and enjoying hundreds of the greatest examples of the distiller's tradition. With maps of essential whisky regions of Scotland, profiles of each of the makers, and photographs of the bottles and tasting notes for each of the most widely available expressions—compiled from tasting sessions conducted by a panel of leading whisky experts—readers will discover a rich vein of knowledge about one of the world's most storied beverages. Selected from more than one hundred active distilleries in Scotland, the 330 expressions featured in this book provide a curated yet comprehensive primer of the single-malt whiskies any growing aficionado should be familiar with. Additional features include a directory of distilleries, Risen's top whisky picks in various categories, and a full index of the expressions featured in the book.

Great Whiskeys - DK 2011-03-21 Great Whiskeys is the ideal drinking companion for any whiskey lover: it is generous, knowledgeable, and willing to go anywhere. No other spirit matches the romance of whiskey; its carefully nurtured, long gestation, the curious flavors of its birthplace, its infinite subtleties and varieties all have a magic that captivates seasoned connoisseurs and new fans alike. Great Whiskeys reveals the secrets that give each whiskey its character and cherry picks the best expressions to try. As the whiskey world becomes more global, heritage brands are exported ever more widely, and innovative whiskies from new producing countries are winning accolades. Great Whiskeys reflects this diversity by bringing you whiskies from 22 countries. This is a guide that covers every whiskey style: single malt, blended, grain, bourbon, rye, and more. Enthusiasts and converts alike could not find a more comprehensive and accessible resource.

Which Fork Do I Use with My Bourbon? - Peggy Noe Stevens 2020-04-22 A good bottle of bourbon should be enjoyed in good company. During their travels in bourbon country and beyond to conduct tastings and seminars, entertainment experts Peggy Noe Stevens and Susan Reigler often heard the question, "How do I do this in my home?" This book is their definitive answer. Which Fork Do I Use with My Bourbon? offers a step-by-step guide to hosting a successful bourbon-tasting party -- complete with recipes, photos, and tips for beginners and experienced aficionados alike. From decorations to glassware, this one-stop resource will guide readers from the day they mail invitations to the moment they welcome guests through the door. Alongside their favorite snack, entrée, dessert, and cocktail recipes, Stevens and Reigler offer expert tips and tricks from the trade on how to set up a bar, arrange tables, and pair recipes with specific bourbons. Once readers are ready, Stevens and Reigler move on to advanced pairings for the bourbon foodie and present two innovative examples of tasting parties -- a bourbon cocktail soiree and, of course, the traditional Kentucky Derby party. Inspired by the hosting traditions of five Kentucky distilleries, this book promises to motivate bourbon lovers to start their own bourbon-tasting traditions and to expand the expertise of longtime bourbon enthusiasts.

The World of Whisky - David Wishart 2019-12-12 Neil Ridley is one of the UK's new breed of passionate young wine & spirits writers. Neil writes regularly for drinks and lifestyle publications.

A Nation on Fire - Clay Risen 2009-01-09 A few hours after Rev. Martin Luther King, Jr. was assassinated at a Memphis motel, violent mobs had looted and burned several blocks of Washington a few miles north of the White House, centered around the U Street commercial district. Quick action by D.C. police quelled the violence, but shortly before noon the next day, looting and arson broke out anew -- not just along U Street, but in two other commercial districts as well. Over the next several days, the
immediate crisis of the riots was matched by an equally ominous sense among the nation's political leadership that they were watching the final dissolution of the 1960s liberal dream. For many whites who watched flames overtake city after city -- Washington, Chicago, Baltimore, Kansas City -- the April riots were an unfathomable and deeply troubling response during what should have been a time of national mourning. To them the rioters were little better than common criminals. But a look at the average rioter complicates such conclusions: they were primarily young (under 25) and male, but most made a decent salary, had a better than average education, and had no previous arrest record. In interviews and testimonies afterward, rioters recalled a sense of release, of striking back at the "system." To say that the riots meant different things to different people would be exceedingly trite if it weren't also exceedingly true. In ways large and small, the King riots solidified attitudes and trends that destroyed the momentum behind racial progress, fatally wounded postwar domestic liberalism, created new divisions among blacks and whites, and condemned urban America to decades of poverty and crime. This book will explain why they occurred, how they played out, and what they meant.

**Cocktails with a Twist**-Kara Newman 2019-08-27 For anyone looking to expand their palate and discover a new favorite go-to drink, this inventive cocktail book is just the thing. Each chapter is based on a classic (like the Manhattan), but inside readers will discover numerous riffs (like swapping Irish whiskey for rye to make a Blackthorn, or substituting amaro for vermouth to make a Black Manhattan). More than 100 variations on 21 modern classic cocktail recipes are accompanied by helpful tips on keeping a well-stocked bar, garnishing drinks, and throwing a party. With bold coloring and classic recipes and intriguing variants, Cocktails with a Twist is a cocktail book unlike any other.

**The New Single Malt Whiskey**- 2016-10-25 The most definitive guide to the new revolution in single malt whiskey across the globe, complete with cocktail recipes, bottle reviews, tasting notes, distiller interviews, and contributions from award winning experts! The Most Dynamic Chapter in the History of Whiskey is Being Written Now! THE NEW SINGLE MALT is the only book on the market devoted solely to new world Single Malt Whiskeys and old world cutting edge Single Malt Scotches. Never before has a book taken such an in-depth look at the old and new world malts from near and far. THE NEW SINGLE MALT WHISKEY is the most up-to-date and definitive guide to the current revolution happening in single malt whiskey.

**The Bill of the Century**-Clay Risen 2014-04-01 A 50th anniversary tribute chronicles the historical struggle to bring the Civil Rights Act into law, profiling a wide range of contributing figures in religious, public and political arenas. 60,000 first printing.

**The Bourbon Bible**-Eric Zandona 2018-08-30 Bourbon is booming, and this guide will teach you all you need to know. Eric Zandona - spirits specialist at the American Distilling Institute - explores 140 of the finest bourbons in the world, from the big-name classics to tiny craft distilleries, with flavour profiles and recommendations for the best way to drink each one. Also featuring recipes for 20 classic bourbon cocktails, as well as chapters on the history of bourbon, how the drink is made and the key things you need to understand when buying a bottle, The Bourbon Bible is the ultimate guide to the ultimate drink.

**Kentucky Bourbon Whiskey**-Michael R. Veach 2013 On May 4, 1964, Congress designated bourbon as a distinctive product of the United States, and it remains the only spirit produced in this country to enjoy such protection. Its history stretches back almost to the founding of the nation and includes many colorful characters, both well known and obscure, from the hatchet-wielding prohibitionist Carry Nation to George Garvin Brown, who in 1872 created Old Forester, the first bourbon to be sold only by the bottle. Although obscured by myth, the history of bourbon reflects the history of our nation. Historian Michael R. Veach reveals the true story of bourbon in Kentucky Bourbon Whiskey. Starting with the Whiskey Rebellion of the 1790s, he traces the history of this unique beverage through the
Industrial Revolution, the Civil War, Prohibition, the Great Depression, and up to the present. Veach explores aspects of bourbon that have been ignored by others, including the technology behind its production, the effects of the Pure Food and Drug Act, and how Prohibition contributed to the Great Depression. The myths surrounding bourbon are legion, but Veach separates fact from legend. While the true origin of the spirit may never be known for certain, he proposes a compelling new theory. While the true origin of the spirit may never be known for certain, he proposes a compelling new theory. With the explosion of super-premium bourbons and craft distilleries and the establishment of the Kentucky Bourbon Trail, interest in bourbon has never been higher. Veach shines a light on its pivotal place in our national heritage, presenting the most complete and wide-ranging history of bourbon available.

The Atlas of Bourbon and American Whiskey - Eric Zandona 2021-09-02

Includes: Maps, facts, historical information Regional guides to American bourbon, rye, single malt and more Profiles of key distilleries & their must-try whiskeys Cocktail recipes for every region

The Kings County Distillery Guide to Urban Moonshining - David Haskell 2013-10-22

A new generation of urban bootleggers is distilling whiskey at home, and cocktail enthusiasts have embraced the nuances of brown liquors. Written by the founders of Kings County Distillery, New York City's first distillery since Prohibition, this spirited illustrated book explores America's age-old love affair with whiskey. It begins with chapters on whiskey's history and culture from 1640 to today, when the DIY trend and the classic cocktail craze have conspired to make it the next big thing. For those thirsty for practical information, the book next provides a detailed, easy-to-follow guide to safe home distilling, complete with a list of supplies, step-by-step instructions, and helpful pictures, anecdotes, and tips. The final section focuses on the contemporary whiskey scene, featuring a list of microdistillers, cocktail and food recipes from the country's hottest mixologists and chefs, and an opinionated guide to building your own whiskey collection. Praise for The Kings County Distillery Guide to Urban Moonshining: “The moonshining world is notoriously full of orally-perpetuated misinformation and the legitimate whiskey industry is full of marketing lies and half-truths; Spoelman and Haskell have thankfully defied those traditions and released an educational book of honesty and transparency.” —Serious Eats

Bourbon Curious - Fred Minnick 2019-09-03

"The world has been waiting for this book." —Jeffrey Morgenthaler, author of The Bar Book and Drinking Distilled In Bourbon Curious: A Tasting Guide for the Savvy Drinker, award-winning whiskey writer and Wall Street Journal best-selling author Fred Minnick creates an easy-to-read interactive tasting journey that helps you select barrel-aged bourbons based on your flavor preferences. Using the same tasting principles he offers in his Kentucky Derby Museum classes and as a judge at the San Francisco World Spirits Competition, Minnick cuts to the chase, dismissing brand marketing and judging only the flavor of this all-American whiskey. Bourbon Curious groups bourbon into four main flavor profiles—grain, nutmeg, caramel, and cinnamon. While many bourbons boast all four flavor notes, one delicious sensation typically overshadows the rest. This book reveals more than 50 bourbon brands' predominate tastes and suggests cocktail recipes to complement them. In addition, Minnick spends some time busting bourbon's myths; unraveling its mysteries; and exploring distiller secrets, disclosing the recipes you won't find on a bottle's label. This updated edition contains all the best new bourbons and revised tasting notes on any bourbons that have undergone a substantial change since the original edition. And like good-tasting bourbon, Bourbon Curious is approachable to all!

A Field Guide to Whisky - Hans Offringa 2017-05-02

A Field Guide to Whisky is a one-stop guide for all the information a whisky enthusiast needs. With the whisky market booming all over the world, now is a perfect time for a comprehensive guide to this popular brown spirit. What are the basic ingredients in all whiskies? How does it get its flavor? Which big-name
brands truly deserve their reputation? What are the current whisky trends around the world? And who was Jack Daniel, anyway? This abundance of information is distilled(!) into 324 short entries covering basic whisky literacy, production methods, consumption tips, trivia, geographical maps and lists of distilleries, whisky trails, bars, hotels, and festivals by an industry insider. Boasting 230 color photographs and a beautiful package to boot, A Field Guide to Whisky will make a whisky expert out of anyone.

**Bourbon**-Tim M. Berra 2019-05-06 Oaky and fullbodied, prized throughout the world but distinctly American, with deep roots in the Kentucky hills and hollers Bourbon has continued to grow as the spirit of choice by alcohol lovers across the globe, but many drinkers have a limited understanding of how bourbon is made. While there may be a hundred books on the subject, few break down the science of bourbon in uncomplicated terms as this lavishly illustrated book does.

**How to Be a Bourbon Badass**-Linda Ruffenach 2018-03-15 There is no right or wrong way to drink bourbon—in a cocktail, straight up, on the rocks, or with a splash of soda. You will never know which is your way until you try them all, and How to Be a Bourbon Badass will guide you on the path of your own bourbon adventure. In How to Be a Bourbon Badass, Linda Ruffenach tells the story of her own personal journey with bourbon and shares behind-the-scenes tales from bourbon industry experts and rock stars. She captures the storied history of America’s native spirit, explains the process of making liquid gold, and offers top-notch cocktail, dinner, and dessert recipes for the novice and connoisseur alike. From tales of legendary master distillers to stories of women whose lives were changed through newfound bourbon badass confidence, and from recipes for classics like the bourbon highball to fresh twists like strawberry bourbon lemonade with rosemary, Linda Ruffenach will redefine your perceptions of bourbon and those who savor it. Your journey to becoming a bourbon badass begins here.

**Whiskey**-Kevin R. Kosar 2010-10-15 A Manhattan or a Sazerac; neat, on the rocks, or with a splash of soda—no matter how it’s served up, whiskey is synonymous with the poet’s inspiration and the devil’s spirit. Be it bourbon, rye, corn, Irish, or Scotch, whiskey has an infamous and celebrated history from a sometimes lethal, herb-infused concoction to a high-quality, meticulously crafted liquor. In Whiskey, Kevin R. Kosar delivers an informative, concise narrative of the drink’s history, from its obscure medieval origins to the globally traded product that it is today. Focusing on three nations—Scotland, Ireland, and America—Kosar charts how the technique of distillation moved from ancient Egypt to the British Isles. Contrary to popular claims, there were no good old days of whiskey: before the twentieth century, consumers could never be sure just what was being poured in their cup—unscrupulous profiteers could distill anything into booze and pawn it off as whiskey. Eventually, government and industry established legal definitions of what whiskey is and how it could be made, allowing for the distinctive styles of whiskey known today. Whiskey explains what whiskey is, how it is made, and how the types of whiskey differ. With a list of suggested brands and classic cocktail recipes for the thirsty reader, this book is perfect for drink and food enthusiasts and history lovers alike.

**Bourbon**-Clay Risen 2021-12-07 A visually stunning illustrated guide to the history, craft, and appreciation of Kentucky bourbon Bourbon, we soon realized, was not just a good drink. It was a drink with a story, from a place, with an unbreakable tie to the people and the land that produced it. Whiskey expert Clay Risen explores the origins, history, and evolution of America’s distilling craft and culture in this luxurious boxed set. From boom to bust and back again, Risen tells the engrossing story of Kentucky whiskey, using interviews, photographs, and archival material to illuminate the singular region where bourbon was born. This meticulously researched book details how bourbon is made, how best to enjoy it, and how to build your own collection, along with profiles of the distilleries and makers that form the landscape of bourbon country.

**Whiskey Women**-Fred Minnick 2013-10-01 Shortly after graduating from University of Glasgow in 1934, Elizabeth “Bessie” Williamson began working as a temporary secretary at the Laphroaig Distillery on the Scottish island Islay. Williamson quickly found herself joining the boys in the tasting
room, studying the distillation process, and winning them over with her knowledge of Scottish whisky. After the owner of Laphroaig passed away, Williamson took over the prestigious company and became the American spokesperson for the entire Scotch whisky industry. Impressing clients and showing her passion as the Scotch Whisky Association’s trade ambassador, she soon gained fame within the industry, becoming known as the greatest female distiller. Whiskey Women tells the tales of women who have created this industry, from Mesopotamia’s first beer brewers and distillers to America’s rough-and-tough bootleggers during Prohibition. Women have long distilled, marketed, and owned significant shares in spirits companies. Williamson’s story is one of many among the influential women who changed the Scotch whisky industry as well as influenced the American bourbon whiskey and Irish whiskey markets. Until now their stories have remained untold.

99 Drams of Whiskey-Kate Hopkins 2009-05-26 Traces the exploits of a popular food blogger in her international search for the world’s finest whiskies, a narrative account that shares historical information, profiles of forefront distilleries, and the insights of experienced aficionados. By the author of The Accidental Hedonist.

Imbibe! Updated and Revised Edition-David Wondrich 2015-04-07 The newly updated edition of David Wondrich’s definitive guide to classic American cocktails. Cocktail writer and historian David Wondrich presents the colorful, little-known history of classic American drinks—and the ultimate mixologist’s guide—in this engaging homage to Jerry Thomas, father of the American bar. Wondrich reveals never-before-published details and stories about this larger-than-life nineteenth-century figure, along with definitive recipes for more than 100 punches, cocktails, sours, fizzes, toddies, slings, and other essential drinks, along with detailed historical and mixological notes. The first edition, published in 2007, won a James Beard Award. Now updated with newly discovered recipes and historical information, this new edition includes the origins of the first American drink, the Mint Julep (which Wondrich places before the American Revolution), and those of the Cocktail itself. It also provides more detail about 19th century spirits, many new and colorful anecdotes and details about Thomas’s life, and a number of particularly notable, delicious, and influential cocktails not covered in the original edition, rounding out the picture of pre-Prohibition tippling. This colorful and good-humored volume is a must-read for anyone who appreciates the timeless appeal of a well-made drink and the uniquely American history behind it.

The Curious Bartender’s Guide to Malt, Bourbon & Rye Whiskies-Tristan Stephenson 2020-07-28 A captivating introduction to the world of fine whiskies, brought to you by bestselling author, restaurateur, bar-owner and world-class drinks connoisseur Tristan Stephenson. Tristan explores the origins of whisky, from the extraordinary Chinese distillation pioneers well over 2,000 years ago to the discovery of the medicinal ‘aqua vitae’ (water of life), through to the emergence of what we know as whisky. Explore the magic of malting, the development of flavour and the astonishing barrel-ageing process as you learn about how whisky is made. After that, you might choose to make the most of Tristan’s bar skills with some inspirational house-blends and whisky-based cocktails. This fascinating, entertaining and comprehensive book is sure to appeal to aficionados and novices alike.

Jim Murray's Whiskey Bible 2021-Jim Murray 2020-09-30 Thanks to industry guru Jim Murray and his internationally acclaimed annual Whisky Bible, the Japanese are now running out of their own single malt and people have fought in Toronto liquor stores to grab the last bottle of his World Whisky of the Year. Rye, Irish Pot Still, and Bourbon have all seen a massive resurgence in recent years not least thanks to the visionary campaigning of the world’s first-ever full time professional whisky writer. Murray has tasted nearly 20,000 different whiskies for the Whisky Bible since it first hit the shelves in 2003. For this 2021 edition, he reflects on over another 1,200. The 4,700 whiskies included in this 2021 edition range from Scottish Single malts to Australian; from Canadian to Austrian. The whiskies from over 30 different countries are included and evaluated in his forthright, honest, amusing, fiercely independent, and non-pretentious style.
